

Next-Gen FORD  
**RANGER**

## Next-Gen FORD

# RANGER

People who like to live big gravitate naturally to the next generation Ford Ranger® pickup. It has what they need to succeed in the wild and the world at large.

This is our smartest, most capable, most versatile Ranger truck ever.

Designed for over 180 countries, this is the midsize pickup truck the world turns to for work, family and fun. Let the adventures begin.

**NEXT GENERATION  
BIGGER, TOUGHER, SMARTER**

## FOR A PURPOSE-DRIVEN LIFE

The Ford Ranger® pickup is a natural-born worker with best-in-class towing, payload and engine. The enhanced towing and impressive payload capabilities of the Ranger brand are improved by a raft of available new driver assist technologies. It has also undergone global testing from sub-zero to -50° Celsius temps to make sure it's robust, rugged and capable. Plus, the high-strength-steel frame and steel body ensure the next-generation Ranger truck is Built Ford Tough®. And when it comes to versatility, the Ranger pickup offers integrated rear bumper steps and a wider load box that easily accommodates Euro-sized pallets and a tailgate workbench to help make tasks easy.

## TERRAIN MADE EASY

The Ford Ranger® pickup was built for more than just a well-paved road. The new available Selectable Drive Modes feature gives you the freedom to optimize performance on a variety of road surfaces and conditions. Feel free to move outside the lines.

## REAL-WORLD TECH

The Ford Ranger® pickup is equipped with next-level, personalized technology. Take voice-activated SYNC® 4<sup>1</sup> with wireless Apple CarPlay® and Android Auto™ compatibility.<sup>2</sup> Navigate and control your apps on the available 10.1" or 12.1" touchscreen<sup>1</sup> or by using simple voice commands. This large integrated touchscreen puts control at your fingertips, while a new digital instrument cluster lets you customize the information you want to see. The available Selectable Drive Modes work effortlessly for on-the-fly confidence over all terrains. Plus, the available Dual-Zone Climate Control separates cabin temps for driver and front passenger, while available wireless charging<sup>3</sup> allows you to charge your compatible smartphone without using a cable.

### A Connected Experience<sup>4</sup>

Enabled by an embedded modem, Ranger is packed with smart functionality. Control it all with your voice, phone or available 10.1" or 12.1" touchscreen.

**WILDTRAK™** Ebony leather-trimmed vehicle seating. Available equipment.

Available Selectable Drive Modes

Available 12.1" Touchscreen

Instrument Panel Pull-Out Cupholder

Wireless Charging Pad

1. Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.  
2. Requires phone with active data service and compatible software. SYNC 4 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality.  
3. Available Qi wireless charging may not be compatible with all mobile phones.  
4. Availability varies by market.

## XLT

Tough, capable, comfortable and connected. The Ford Ranger® XLT pickup has what you need on- and off-road for workdays, weekends, whenever.

## XL

Muscular and with an athletic edge, the Ranger XL truck is a midsize pickup with an Ebony interior finish.

## WILDTRAK

Distinctive appearance and high-end capability. The Ranger Wildtrak™ pickup has a premium interior stacked with technology to give you a new level of command and control.

The heart of the Ranger's superior durability and strength just got an upgrade. Ranger's diesel engines deliver more than just big power numbers—they're more fuel-efficient than ever. So you can spend more time on the move, and less time at the fuel pump.

### 2.0L CRTC (Bi-Turbo)

Ranger's 4-cylinder 2.0L CRTC Bi-Turbo diesel engine delivers the power and torque numbers you've come to expect from a Ranger, with improved fuel efficiency over the previous year's model.

210PS- Power  
500NM- Torque

### 2.0L CRTC (Single-Turbo)

More power. Greater torque. Improved fuel efficiency. Ranger's upgraded 4-cylinder 2.0L CRTC Single-Turbo diesel engine pumps out the extra power you need to conquer any task.

170PS- Power  
405Nm- Torque

**Illustrations, descriptions and specifications.** This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack, etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers and do not lie within the responsibility of Ford. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. Other trademarks and trade names are those of their respective owners.

<sup>0</sup>Uses sensors. <sup>1</sup>Designed to operate at speeds above 10 km/h. <sup>11</sup>Designed to operate at speeds over 65 km/h on multi-lane roads with clearly visible lane markings. <sup>12</sup>Ford Emergency Assistance operates in over 30 European countries. This feature works when paired with a compatible mobile phone that is with you when the airbag is deployed or the fuel pump is shut off. **\*\*Text messaging feature not available in all countries.** See your local Ford website for latest information on both. **Note** The Bluetooth® trademark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under license. Other trademarks and trade names are those of their respective owners. **Note** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
