Savings on Service:

The Ford Everest comes with 3 years/100,000 kilometre warranty*

- **Extended Warranty:** To cover your car against all electrical & mechanical failures, for an additional period.

*Conditions and exclusions apply. Images and illustrations are for information purposes and are indicative only. Because of changes in conditions and circumstances Ford reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place and order. 2 years factory warranty + 1 year extended warranty. Some driver assistance and safety features described above are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Features may vary from model to model. Bluetooth® is a registered trademark of Bluetooth® SIG Inc., and is used under license. Operating certain parts of the SYNC® system while driving can distract your attention away from the road and may be prohibited by local laws. Don not change system settings or enter data non-verbally (using your hands) while driving. Fuel economy is as per ARAI. Fuel economy is for 2.0l diesel Titanium 4x4 AT. Stop the vehicle in a safe and legal manner before attempting these operations. Always make sure that you comply with local road laws/rules when using the SYNC® system. SYNC® promotes safer driving by ensuring hands are on wheels and eyes on the road. Ford does not recommend using mobile phone while driving. *Spare wheel provided is a steel wheel (not alloy) across all variants.

**MAKE EVERY DAY
EPIC**

Engineered for extraordinary, the Ford Everest is built to take on the most epic adventures and conquer tough terrains with ease.

FORD Everest

MASTER ANY TERRAIN

The Ford Everest's Terrain Management System ensures maximum traction and stability across all terrains.

Sand - Drive effortlessly with increased accelerator sensitivity and aggressive wheelspin.

Snow/Mud - Manoeuvre smoothly on snowy and muddy surfaces with optimised traction and control.

Rock - With this mode, keep 4WD in first gear for superior control and tackling rocky terrains.

Terrain Management System

CLIMB WITH CONFIDENCE

The Ford Everest's comprehensive Electronic Stability Control System helps you be in control of tough situations.

Hill Launch Assist automatically holds the brakes to prevent roll-back while on an incline.

Traction Control maximises traction and prevents wheel spin.

Hill Descent Control takes control of braking on steep downhill roads.

Rollover Mitigation uses a gyroscopic sensor to ensure grip and control, reducing the risk of rolling, especially while taking tight corners or overtaking.

Premium Alloy Wheels

World first 10-speed Automatic Transmission

LED Projector headlamps

All New Black Front Grille

Ebony Black Side Mirrors

Dual zone electronic automatic temperature control

Hands Free Power Liftgate

TRAVEL FIRST-CLASS EVERYWHERE

The upgraded detailing and stitching, premium door inserts fabric and a bold crafted gear knob design make driving the Everest a first-class experience.

Seven Leather Upholstered Seats Both, the driver and front passenger seats are 8-way power adjustable to fine-tune your seating positions.

PowerFold® Third Row folds flat at the touch of a button, giving you abundant cargo space.

Panoramic Sunroof covers nearly 50% of the roof space, letting you experience the outside world at the touch of a button.

FEATURES TO KEEP YOU SAFE

Seven Airbags (7) that include one for the driver's knees.

Ultra-High Strength Steel for your safety.

Reverse with confidence with the **Rear-View Camera**.

The **Rear and Front Parking Sensors** also alert you against any obstacles.

STURDY YET SMART

The Ford Everest's intuitive technology lets you enjoy the drive without any distractions.

Hands-Free Power Lift Gate Just trigger the sensor with your leg and the lift gate will open and close automatically.

Keyless Entry & Push Button Start Set off on your journey without taking the SUV key out of your pocket.

SYNC™3 preps you for your adventurous journeys with its more intuitive and responsive features.

Rear Park Assist With Guideline helps in judging the actual direction while doing reverse.

POWER YOUR ADVENTURES

The Ford Everest's All-New EcoBlue engine is powerful yet efficient. And its sleek aerodynamic design with a bold grille helps in greater fuel savings.

EcoBlue: The powerful, 2.0L CR TC panther C Bi-Turbo EcoBlue diesel engine with 10-Speed AT gives you extra power to tackle the toughest

Power: 213PS Torque: 500Nm

10-Speed Automatic: Advanced 10-speed AT offers a smoother driving experience. And wide-ratio span and optimised gear spacing leads to better acceleration, responsiveness and performance.
